President's Message

Welcome to a new year of golf. You should find attached your Napa Golf Club 2012 Schedule. We will have copies of the newsletter in the clubhouse, and copies of the schedule will be available in the Pro's Shop, as well as on the Notice Board in the bar and on the website at www.napagolfclub.org.

We will be running the Player of the Year contest again with is based on a points system and has an end of year prize of \$100.00. The last two tournaments of the year are NOT included in the points tally, so play in as many tournaments as you can. Each time you play in a tournament you get one point, which could make the difference between winning and losing! We will also be keeping track of the money winner for the year, but we give no prize for that. (Maybe we ought to tax those winnings...)

Tom Sims, the CourseCo General Manager will once again be running the tournaments. It helps immensely if you pay for the tournaments at the same time as you sign up. We continue to pay 30% of the field in all tournaments. Our NCGA Qualifiers and the Club Championship require that you post 10 scores within the 12 months preceding the Qualifier for the Championship.

Respectfully Submitted,
Dan Villanueva President.

Tournament Handicaps

I would like to start by saying Happy New Year to all of our club members. As some of you already know, we will be implementing a new tournament handicap system. For the first tournament, we will use your NCGA handicap. We will then average your first tournament score and your NCGA handicap to get your second tournament handicap. Once you have six tournament scores, hadnicap will be based on tournament scores only.

Zach
